

Other expressions of PKH's work

SEEDS OF HOPE CHILDCARE

PKH works in partnership with another non-governmental organization, Full Gospel Assembly Cambodia to provide a safe Christian home and long-term care and education for 121 orphans, street and poor children. These children attend the public schools and receive tuition in various subjects at the childcare centre.

PKH HEALTHCARE

PKH works to reduce Cambodia's rates of child mortality and HIV Aids, and combats malaria and malnutrition in the rural areas of the country. The doctor and healthcare team provide basic medical and dental care to the children, youth and staff of the Centre. By way of a mobile clinic, healthcare is also extended to villagers of Aoral which is a very poor and remote district in the province.

PKH COMMUNITY SERVICES

Welfare aid in the form of food rations and other supplies like blankets, mosquito coils and medicines are often distributed to poor villagers. In Aoral, 2 student dormitories are built for the District's primary and secondary schools. PKH continues to help a few needy students with education bursaries and tools for skills learning (tools and sewing kits) as well as needy families with house-rents and medical expenses.

LIVING STREAMS YOUTH CLUB

This Club organizes recreational activities and offers Christian pastoral guidance during the weekends. In an effort to improve the social fabric of the village, the club is also open to other youths in the community. There are youths who have come to faith in Christ and have their lives transformed by the power of God's love.

HOW YOU CAN HELP

We would like to invite you today to make a difference in the lives of the needy Cambodians by partnering with Project Khmer H.O.P.E.(PKH) in ...

PRAYING

That the poor and needy will know the love of God in Jesus Christ and that people who show kindness to them will experience the joy of the Lord.

SHARING

We welcome assistance in these areas:

- skills development — teaching of English,

music, computers, hospitality etc

- childcare — teaching of English
- healthcare — medical, dental, nursing services
- others — practical help to improve the facilities etc

GIVING

Regular (monthly, quarterly or annual) giving or one-off donations will be appreciated and acknowledged with official receipts. All contributions will be used solely for the work of helping the poor and needy within the scope of PKH and not for administrative costs/overheads for the work.

Kindly make your cheque payable to ST ANDREW'S CATHEDRAL, marked PKH on the reverse side and mail together with the portion below to Project Khmer H.O.P.E.

*"I have a dream.....
that one day all
of God's children
will have food and
clothing and material
well-being for their
bodies, culture and
education for their
minds and freedom
for their spirits....."*

Martin Luther King Jr.

It's not just a dream...

PKH SKILLS DEVELOPMENT

APRIL 2006

... God's love expressed tangibly in practical acts of compassion transforms young lives.

Project Khmer H.O.P.E. (Humanitarian Outreach for Peace on Earth) was set up by St Andrew's Cathedral (Singapore) in 2000 to share God's love with poor and needy Cambodians by meeting their economic and social needs. Registered as an international non-governmental organization, PKH's registration was recently renewed for another 3 years till 2008. PKH continues to work in collaboration with the Cambodian Ministry of Social Affairs, Veterans and Youth Rehabilitation.

From the funds and support you generously gave, Project Khmer H.O.P.E. (PKH) is able to continue its 6th year of operations in Cambodia. Today, PKH's Christian and humanitarian work takes on various expressions in Cambodia. PKH operates from the PKH (Anglican) Centre located in the rural Kampong Speu Province. This Centre is staffed by a team of 10 Cambodian nationals and 6 expatriates mostly from Singapore.

Young Cambodians must be allowed to dream. And education can make their dreams a reality.

Education represents a powerful tool to break the long cycle of poverty among the rural poor in Cambodia. Ask the young people today in the countryside what they want to be when they grow up and you will likely get a blank stare. Life's opportunities are limited by an abject and crippling cycle of poverty where families live on less than USD 1 a day. There are few opportunities for life and vocational skills.

PKH runs a 2-year skills development programme for youths. This comprises an intensive course on English in the 1st year and vocational courses on Computers / Information Technology and Hospitality Services in the 2nd year.

PKH Skills Development

The new academic year of 2006 started in March. Classes are conducted daily for about 100 young men and women between the ages of 17 and 22 years. The PKH Youth Dormitory provides hostel accommodation for half of these students who live faraway from the PKH (Anglican) Centre.

Beyond classroom learning, career guidance as well as practical sessions in personal grooming and character building, is extended to each student. Before graduating at the end of this year, Hospitality Services course students will undergo a 3-month work experience at hotels such as the Himawari in Phnom Penh and the Raffles D'Angkor in Siem Reap.

'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you a stranger and invite you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you?'

'The King will reply, 'I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.' Matthew 25:37-40.
