

friends because they can learn a good skill. The teachers and staff are caring and I made new friends here.

#### 5. What is your experience of God?

When studying in PKH Aoral, I know Christ through the Saturday Livingstreams Club and also the Sunday services. I accepted Christ and was baptised on 16 August 2014. I know God will continue to guide me and teach me as I trust Him every day.

Before I know God, I like to go out often and don't like to work, even helping out in housework at home. After I accepted Jesus Christ as my saviour, I have been changed a lot. I thank God for sending me to PKH Aoral to study and to get saved here.

God has changed my heart and made me submit to other people. God also teaches me how to forgive others and also know the value of education. I am a new born person and I know the true God when I accepted Jesus Christ as my Lord and Saviour and I have decided to walk with God till eternity.
